

This plan will be used for screening for covid symptoms while at camp. It was written by Mike Smith

Screening will include a temperature check and confirmation of no symptoms related to Covid. Covid symptoms are listed below. Anyone not passing the screening will need to report to the Covid Coordinator.

<b>Symptoms:</b>	
<ul style="list-style-type: none"><li>• Cough</li><li>• Shortness of breath or difficulty breathing</li><li>• Fever</li><li>• Chills</li></ul>	<ul style="list-style-type: none"><li>• Muscle Pain</li><li>• Sore throat</li><li>• New loss of taste or smell</li><li>• Nausea</li><li>• Vomiting</li><li>• Diarrhea</li></ul>

Every camper and adult must be screened when they enter camp. Campers will be screened as part of the check in process. Adults will need to contact the Covid Coordinator for screening when they first get to camp. They should report to the porch of Clark until they are screened. They need to wear a mask once they enter camp and must have a mask on for the screening.

Every camper and adult will be screened every day they are at camp. The screening will be done in the cohort rooms before breakfast. The camper screenings will be done by the counselors. The adult screenings will be done by a designated FX Camp staff person. A record of screenings will be maintained.
