

This plan will be used for chapel services. It was written by Mike Smith

Chapel will be held outside. The band and speaker will be located on the porch at Clark. All cohorts will have a designated seating area on the basketball court or volleyball court, in front of the caper center or at the fire pit. All cohorts will be at least 10 feet from each other. The band and speaker will be at least 25 feet from all other cohorts. General layout is shown in the sketch below.

Masks are required in the general area we are having chapel including coming to and from chapel. Masks are not required if you are in your designated seating area.
